

CURRICULUM VITAE

Name : Ir. Husnileili Yusran, M.Si
Date of Birth : August 7th, 1968
Nationality : Indonesian
Gender : Female
Office Address : Center for Coastal and Marine
Resources Studies
Bogor Agricultural University
Jl. Pajajaran No. 1 – Kampus IPB
Baranangsiang
Bogor 16144 – Indonesia
Telephone Number : +62-251-8374816
Fax Number : +62-251-8374726
Home Address : Cemara Boulevard No.6 Taman Yasmin Sektor VII, Bogor 16112,
Jawa Barat -Indonesia
Mobile : +62-8176854900
Email : husnileili@yahoo.com; husni.leili@gmail.com

Educational Back Ground :

1991 Bachelor Degree in Community Nutrition and Family Resources,
Faculty of Agriculture, Bogor Agricultural University.
2011 Master of Science in Environmental and Natural Resources
Management, Graduate School of Bogor Agricultural University,
Bogor, Indonesia. With thesis title “Biodegradation of Heavy Oil
Waste with Bioslurry Technique Using *Salipiger* sp. MY7 dan *Bacillus
altitudinis* MY12”

Profession :

1997 – present Researcher in Environmental Management and Biotechnology
Division, Center for Coastal and Marine Resources Studies, Faculty
of Fisheries, Bogor Agricultural University - Bogor 16680 – Indonesia
German Teacher at UPT Bahasa IPB

Language :

Bahasa Indonesia, English and German

Organization:

2004 – present. Carl Duisberg Alumni Association – Indonesia (CDAAI). Member
and Coordinator for Bogor Area.
2006 – present. Indonesian Capacity Building Development (INCABIN). Member and
Manager of Marine and Environmental Planning and Management.

2007 – present German Alumni Association (PAJ). Member and Deputy of Marine and Environmental Planning and Management.

2010 – present German Indonesia Alumni of Biotechnology (AJI Biotek). Member.

International Training Course and Seminar

- Professional Programme Short Course on Hazardous Waste Management. 31 August – 11 September 2015. UNESCO – IHE, Delft, The Netherlands and Antwerp, Belgium.
- International Solid Waste Association World Congress. 7 September – 9 September 2015. Antwerp - Belgium
- Conference on Increased Innovativeness/More Value Innovations. From Policy to Practical Implementation; Pursuing the Krabi Initiative”. 11 – 13 July 2012. Bangkok, Thailand
- UNESCO E-Learning Course on Energy for Sustainable Development in Asia. 10 February 2011 – 7 April 2011.
- 1st Interdisciplinary Alumni Conference in Southeast Asia, 30th June to 2nd July 2010. Hanoi, Vietnam
- Symposium on Biotechnology “Networking and Technology Transfer”. 7-12 June 2010. Bangkok, Thailand.
- Short Course on **Environmental Planning and Implementation**. 4 – 23 April 2010. UNESCO – IHE, Delft, The Netherlands.
- Asia Source 3, International Open Source Network. 6 – 13 November 2009. Silang, Cavite, Philippines
- Strategic Management and Leadership Training. Novus Puncak Hotel, West Java, Indonesia. 15-17 August 2009.

- Incorporating of Public Private Partnership (PPP) and Corporate Social Responsibility (CSR) in developing Sustainable Agro-industry in Indonesia. Bandung, Indonesia, April 20th – 21st, 2007

- International Seminar on Advances In Molecular Biology Techniques To Explore Microbial Diversity. Jakarta, Indonesia, January 22nd, 2007.
- The Training Course on Bioremediation on Aquatic Ecosystem with Emphasis on Aquaculture. Bogor, Indonesia, July 19 – 23rd, 2005
- Biotechnology Practical Training in Biodegradation Research Group, Dept. of Microbiology, GermanResearchCenter for Biotechnology, Braunschweig, Germany. July 7th, 2003 – November 7th, 2003.
- Advanced Training Programme in 2003 for participants from ASEAN countries on Modern Industrial Biotechnology. Germany, March 2003 – December 2003
- 5th JSPS International Seminar “Marine Product Processing Technology”, Bogor – Indonesia. August 20th – 21st, 2002

National Training and Seminar

- As a presenter on panel discussion on “Coral Reef Rehabilitation Terumbu Karang in development of coastal area with ecotourism based”, Esa Unggul University, Jakarta, 25 Agustus 2014
- Workshop on Ocean and Climate Change : Ocean as climate change control : Role of Indonesian Seas in reduction of acceleration of Global Warming. Bogor, August 4th, 2009.
- Seminar on Management for municipality garbage with community base. Bogor, July 25th, 2006
- Dynamic Leadership Training. Bandung, August 26th – 27th, 2005
- National Seminar on Bioremediation; Development of Regulation, Research and Implementation of Bioremediation in Indonesia. Bogor, March 10th, 2005
- Seminar on Anti Corruption and Public Accountability. Jakarta, December 10th – 11th, 2004.
- Training on Re-vegetation Technique in Post Mining Field. Bogor, April 26th – 30th, 2004.
- Seminar on Bioremediation and Land Rehabilitation in Oil, Gas and Mining Field. Bogor, February 20th, 2003.

Professional Experience

2015 : Environmental Sensitivity Area Mapping. In Cooperation with CNOOC SES Ltd

2014 : Master Plan for Coral Reef Ecosystem Rehabilitation Area Management in Thousand Island, DKI Jakarta Province. In Cooperation with CNOOC SES Ltd

- 2013 : Pengelolaan Kawasan Rehabilitasi Ekosistem Terumbu Karang di Kepulauan Seribu Provinsi DKI Jakarta. In Cooperation with CNOOC SES Ltd
- : Pre Survey Rehabilitasi Terumbu Karang di Pulau Pabelokan. Desember 2013. In Cooperation with CNOOC SES Ltd
- 2012 : Continues Monitoring and Maintain The Kep. Seribu Environmental Quality Improvement. In cooperation with CNOOC SES Ltd.
- 2011 – 2012 : Environmental Impact Assessment of Iron and Steel Slag in Soil and Marine Use. In cooperation with RIST – POSCO, Korea.
- : Development of Engineering Technology for Bioethanol Production From Marine Macroalgae.
- 2010 - 2011 : Study on Impact of Produced Water, Cooling Water and Reject Water from RO Unit to the Environment. In cooperation with CNOOC SES Ltd.
- 2010 - 2011 : Continues Monitoring and Maintain The Kepulauan Seribu Environment Quality Program. In cooperation with CNOOC, SES, Ltd.
- 2008 : Assessment on Oil Spill and Leaking Prevention System. In cooperation with CNOOC, SES, Ltd.
- 2007 - 2009 : The Implementation of Programs for Environment Quality Improvement at Thousand Island, Jakarta. In cooperation with CNOOC, SES, Ltd
- 2006 : Study on Efforts to Improve Environmental Quality at Thousand Island, Jakarta. In cooperation with Ministry of Environment and CNOOC, SES, Ltd
- 2005 – 2006 : Study on Ecosystem Mapping and Pollution Sources Identification. in Kepulauan Seribu (Thousand Islands), Jakarta. In cooperation with CNOOC, SES, Ltd
- 2001 – 2002 : Integrated Waste Management Project (Petroleum Sludge Bioremediation II), at UNOCAL Facilities – UNOCAL Indonesia Company, Santan Field, Balikpapan, East Kalimantan Province, Indonesia
- 2001 : Revision of Environmental Management Plan (RKL) and Environmental Monitoring Plan (RPL) of Oil and Gas Field Development Activity of UNOCAL Indonesia Company Northern Operation Area, Kutai Regency, East Kalimantan Province, Indonesia
- 2000 – 2001 : Environmental Impact Assessment (EIA) of Oil and Gas Field Development Activity of UNOCAL Indonesia Company Northern Operation Area, Kutai Kertanegara Regency, East Kalimantan Province, Indonesia

- : Petroleum Sludge Bioremediation at UNOCAL Facilities – UNOCAL Indonesia Company, Santan Field, Balikpapan, East Kalimantan Province, Indonesia
- 2000 : EIA of gas Pipeline PT. PGN (Persero) Trans Central Sumatera (Grissik - Sekernan – Batam, Sekernan – Kuala Tungkal)
- 1999 – 2000 : EIA of Batam – Singapore (Borderline) Distribution Gas Pipeline, PT. Perusahaan Gas Negara (Persero), National Gas Company
- : Study of Development of Fisherman Group and Poor Pond farmer in Lampung Province
- 1998 : EIA of Integrated Shrimp Pond Culture, Community Nucleus Pond Pattern in Wonosobo and Kota Agung, Tanggamus Regency, Lampung province, Indonesia
- : EIA of Development and Reclamation Project of Bali Benoa Marine in Bali, Indonesia
- : EIA of Under Sea Gas Pipeline, West Natuna Group in Riau islands Regency and Batam Municipality, Riau Province, Indonesia
- : EIA of West Java Distribution Gas Pipeline, PT. Perusahaan Gas Negara (Persero), National Gas Company
- : EIA of Lampung Distribution Gas Pipeline, PT. Perusahaan Gas Negara (Persero), National Gas Company
- : EIA of Pagardewa – Grissik Transmission Gas Pipeline, PT. Perusahaan Gas Negara (Persero), National Gas Company
- : EIA of Jambi Distribution Gas Pipeline, PT. Perusahaan Gas Negara (Persero), National Gas Company
- : EIA of West Java – South Sumatera Distribution Gas Pipeline, PT. Perusahaan Gas Negara (Persero), National Gas Company
- 1997 : Environmental Audit in Pertamina Center Hospital RSPP, Jakarta
- : Environmental Impact Assesment (EIA) of Integrated Fisheries Industry Development, based on Community Nucleus Pond – Transmigrasi PT. Kamal Cahaya Putra in Muna Regency, South East Sulawesi Province, Indonesia

Bogor, 27 April 201
